Sundays, New Sunday School Class starting – The Truth Project with Keith Kendrex - 9:45am

“This summer between services we will be studying from The Truth Project worldview Bible study by Focus on the Family. We will not be using the video but the Bible verses and concepts. This could be one of the most exciting and important Bible studies you have ever been part of. Keith Kendrex will be guiding us through the study this summer which has impacted more than 20 million people.

This is a detailed Bible Study that will guide us through what God says about many different areas of life: Theology, Ethics, Society, Family, Economics, Media, and much more. Why is there Evil in the world? Who is Man? What is God's view of work? Why do I exist? Why are relationships so important to God? These and many more questions will be looked at from God's point of view because, as the study will show, there is no major area of life that God has not spoken about.”
